

WOOO-
OOW!!

Everything
looks SO
yummy!

Is this
really all
for us?!

CHAPTER 2: A HOME FOR FLOWERS

Woo-
hoo!

Let's
eat!!

Yup!
I prepared
this picnic
for everyone.
I even brought
some fruit!

FOREST PLAYGROUND

Munch, munch,
munch... Thanks,
Mari! You're the
best at every-
thing, including
baking cookies!

Well, I
could eat a
hundred...
No, a thousand
of these!

Oh, that's
not true at
all! It just
seems that
way from
the outside.

Mari
sure makes
everything look
easy, doesn't
she?

Yes, I agree!
Mari is so
effortlessly
graceful...

Mari is teaching
everyone how
to make flower
crowns!

This is
from when Mari
was teaching
everyone how
to make flower
crowns!

Mari is
good at
everything...
including arts
and crafts!

Omori
and Kel are
holding her
perfect
example. So
pretty...

Y-You
think
so?

Basil,
the flower
crown suits
you so well!

Everyone
else looks
great too!

HERO'S
his flower
crown
like take

Hero's
face is so
serious
here...

How
adorable!

Wh-What
are you saying,
Mari?! When
did you guys
take this
picture of me
anyway?

MARI
a piece
Ever
can

Oh, this is
me showing
Omori this
photo album!

He really
likes to look
through all
the pictures
with me...

That picnic
we had
recently was
really fun
too!

We even got
to eat some
watermelon!

I wanna eat
watermelon
again!!

After our
picnic

Everyone
looks so
happy and
peaceful...
We got
sleepy after
eating so
much...

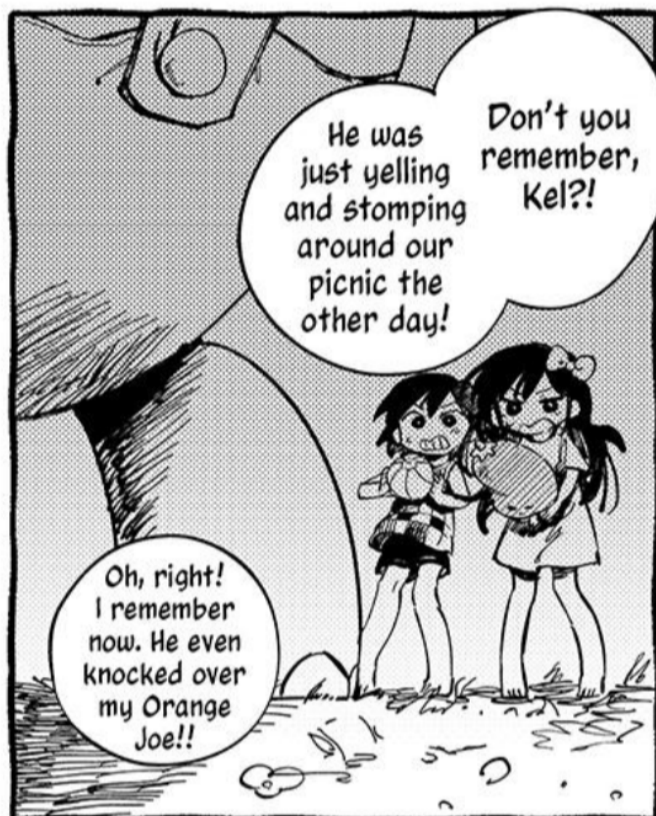

Especially
Hero and
Mari! Hehe!

Let's make
even more
memories
together!

This album
is full of
our precious
memories...

Of
course!

He was
just yelling
and stomping
around our
picnic the
other day!

Don't you
remember,
Kel?!

Oh, right!
I remember
now. He even
knocked over
my Orange
Joe!!

Food is
more deli-
cious when
everyone
is eating
together!

OHH
YEAHH!!
Picnics are
the best!

Huh?
Who's
Boss?

If we
seem like
we're having
too much
fun, Boss
might appear
again...

But...
you
know...

**WORRY
NOT,
HERO!**

Such a shame...
We even had
to clean the
stain off Mari's
picnic blanket
afterwards...

HOW
DARE YOU
NOT INVITE
ME TO YOUR
LITTLE TEA
PARTY!!

B-
BOSS?!

Ugh...

STOMP

What did you say?!

Basil is our friend! Don't you dare hurt him, you bully!

ACK!!

CHEEKY LITTLE BRAT!!

WHAM

My flower crown!

Boss! Please stop!

My friends and I... We made that flower crown together...

BOULDER

Curse
you...

Kel!

TAKE
THAT,
YOU
BULLY!

KEL attacks BOSS!
BOSS takes 12 damage!

MARI!!!

Mari-

RUN!!!

BOOM
SLAM!

Omori!

Phew!

SWIPE

Urgh...

COLLAPSE

I'm fine too!

Don't worry about us. We're fine!

Basil!!
Are you hurt anywhere?!

Hey, Boss...

Huh? Are you sure about that...?

SHUT IT, YOU!!

During the battle, Boss tried really hard to make sure I didn't get hurt.

You see...

Don't
come near
me ever
again!!

This is a
Boss-Only
Zone!

Well...
He probably
won't be a prob-
lem hidden like
that. He seems to
be reflecting on
his actions...

What's
up with
him?

Hmm...

What
should
we do
now?

Darn...

Our picnic
got ruined...
again.

OH, ME!!
I WANNA GO!!
Omori is
coming too!!

Of course!
I recently
planted a lot
of pretty
flowers!

I was
wondering
if anyone
wanted to
see them...

I
would know!
any of you
like to come
over to my
house?

Oh,
are you
sure?

Well...
Let's
see...

What
about
you,
Mari?

So why don't you guys go on ahead? You can protect everyone, right Hero?

And I'd like to clean things up a bit here.

My leg is not feeling very well today...

Omori!

Wow! Such a strong and responsible young man!

Th-That goes without saying!

Of course, Mari! Leave it to me!

Okay, everyone! Off we go!

Let's race to Basil's house!

Take care of yourself, all right? My dear little brother...

Wow,
there's so
much nature!
It's beautiful
out here in
the forest!!

And the
air is so
fresh!

What's
this
flower,
Basil?

Actually,
every flower I
plant here has
its own unique
meaning...

Oh!
These are
sunflowers.
They're called
that because
they always
face towards
the sun.

That's how
I want to be
like...someone
who always
sees the bright
side of things.

Hero is like all roses, because he's universally loved!

Roses come in many different colors. Pink roses symbolize admiration... Yellow roses symbolize friendship...

This flower reminds me of Aubrey, because she's always true to herself!

The gladiolus, or the "sword flower", represents strength of character. Someone who is honest and stands by their convictions...

I guess that's why they remind me of Mari!

These flowers are called lily of the valley. It's said that they're able to ward off evil spirits and help people see a brighter future...

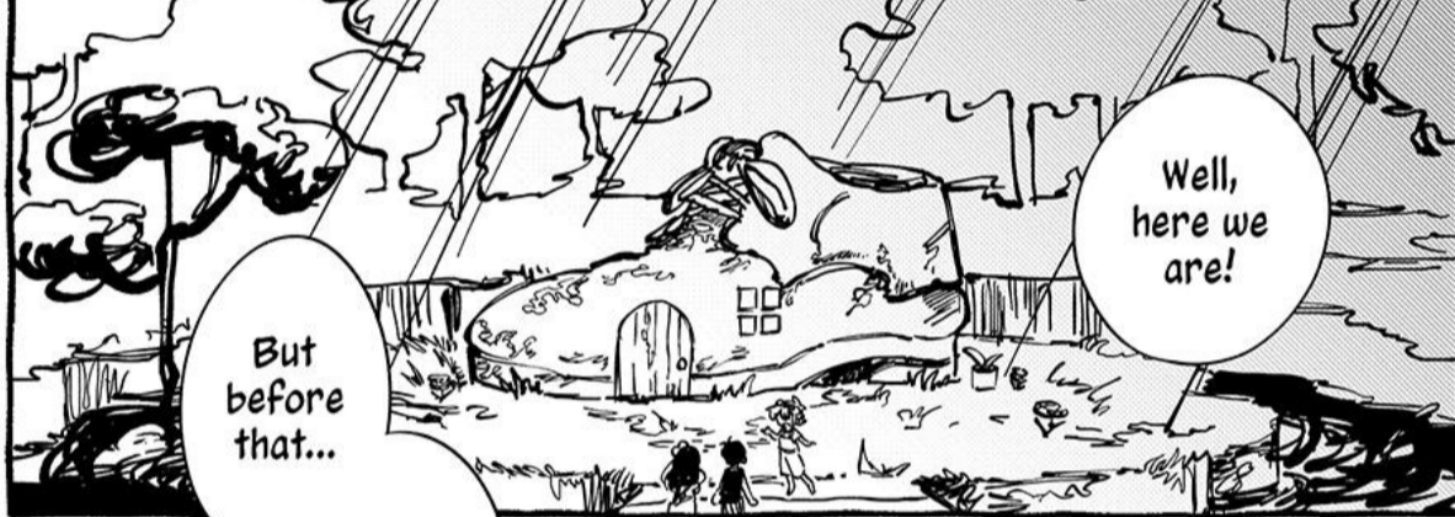

Plain,
simple, and
bulbous...
just like
Omori!

And these
are white
tulips.

They're
very sturdy
and resilient,
just like Kel!

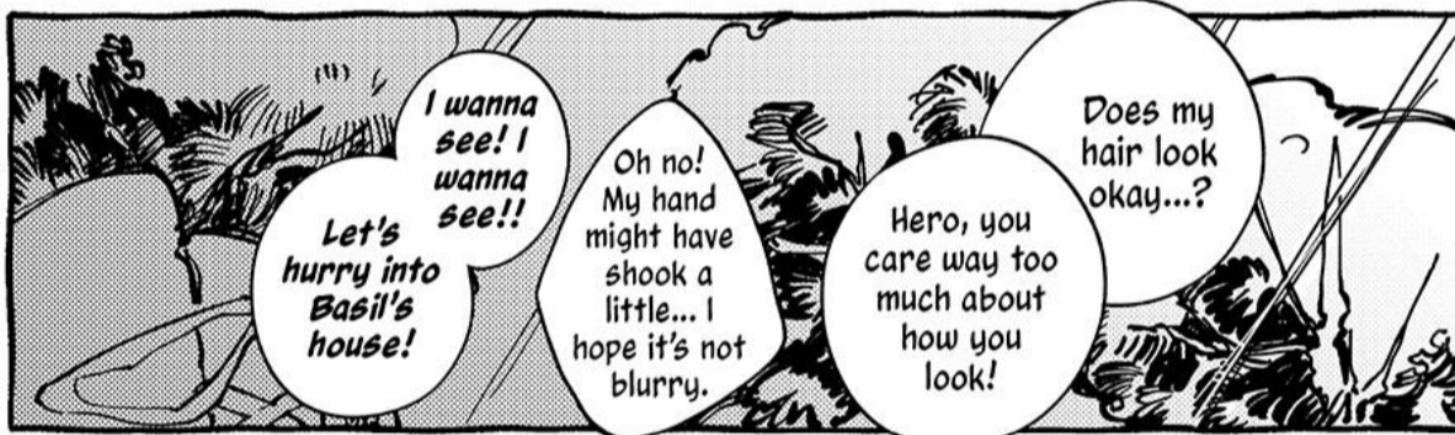

Cacti are
more of a plant
than a flower.
They can survive
even in seemingly
impossible
conditions.

Well,
here we
are!

But
before
that...

Say
cheese!

I wanna
see! I
wanna
see!!

Let's
hurry into
Basil's
house!

Oh no!
My hand
might have
shook a
little... I
hope it's not
blurry.

Hero, you
care way too
much about
how you
look!

Does my
hair look
okay...?

Please
stop-

SHOVE

Ah!

FALL

I'm
sorry
too!

I'm so
sorry...

Oh my
gosh...
Basil...

It doesn't
look like any of
the photos were
damaged. Let's
put them back in
the photo album
together!

Then,
everything
will be back
to normal...

Accidents
happen...

I-It's okay,
don't worry
about it.

We didn't
mean it,
Hero.
Please
don't tell
Mari...

This is why
the both of you
need to learn
how to get
along!

You two are
in big trouble
now!

Yeah...!

I'm
speech-
less...

You have
an amazing
memory,
Omori.

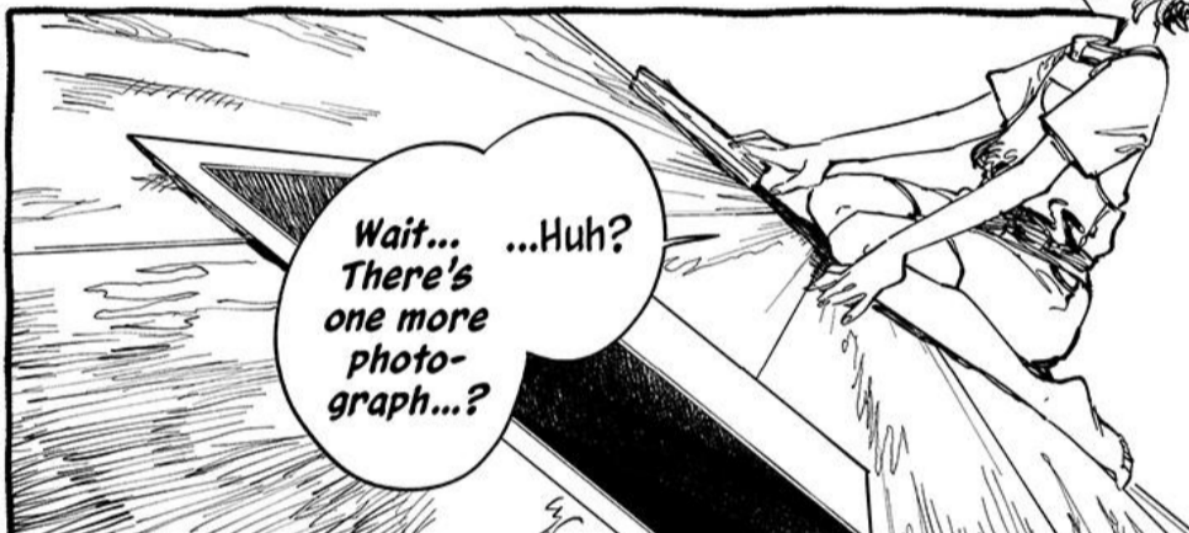

There...

Good
as new.

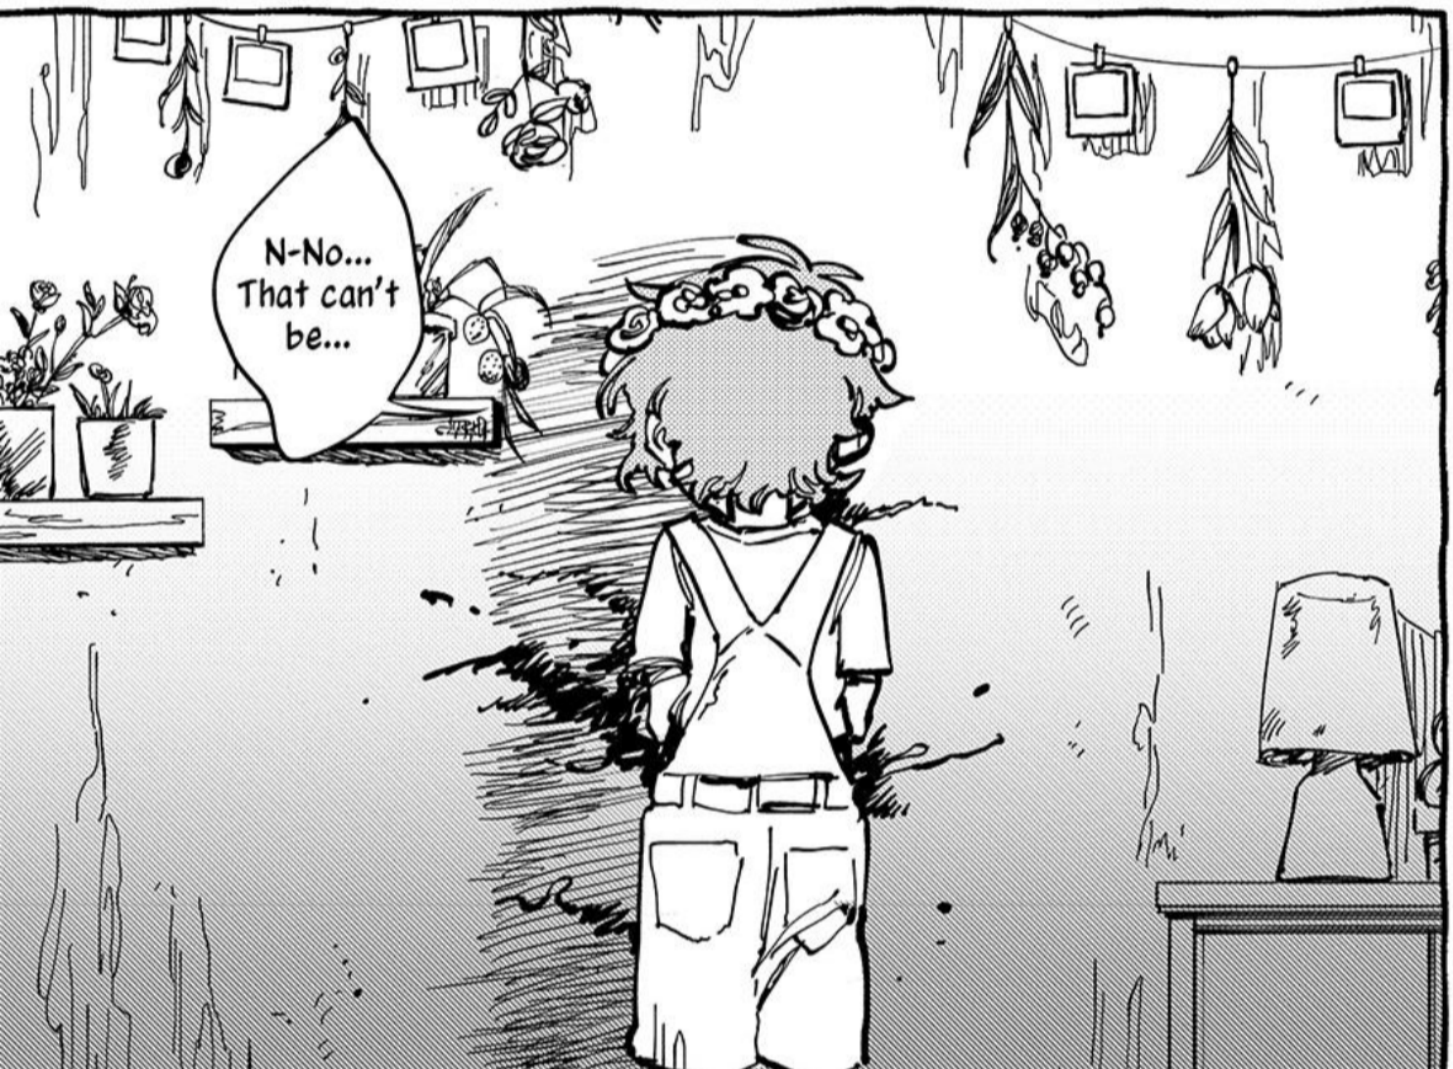

Thank you
so much,
Omori!

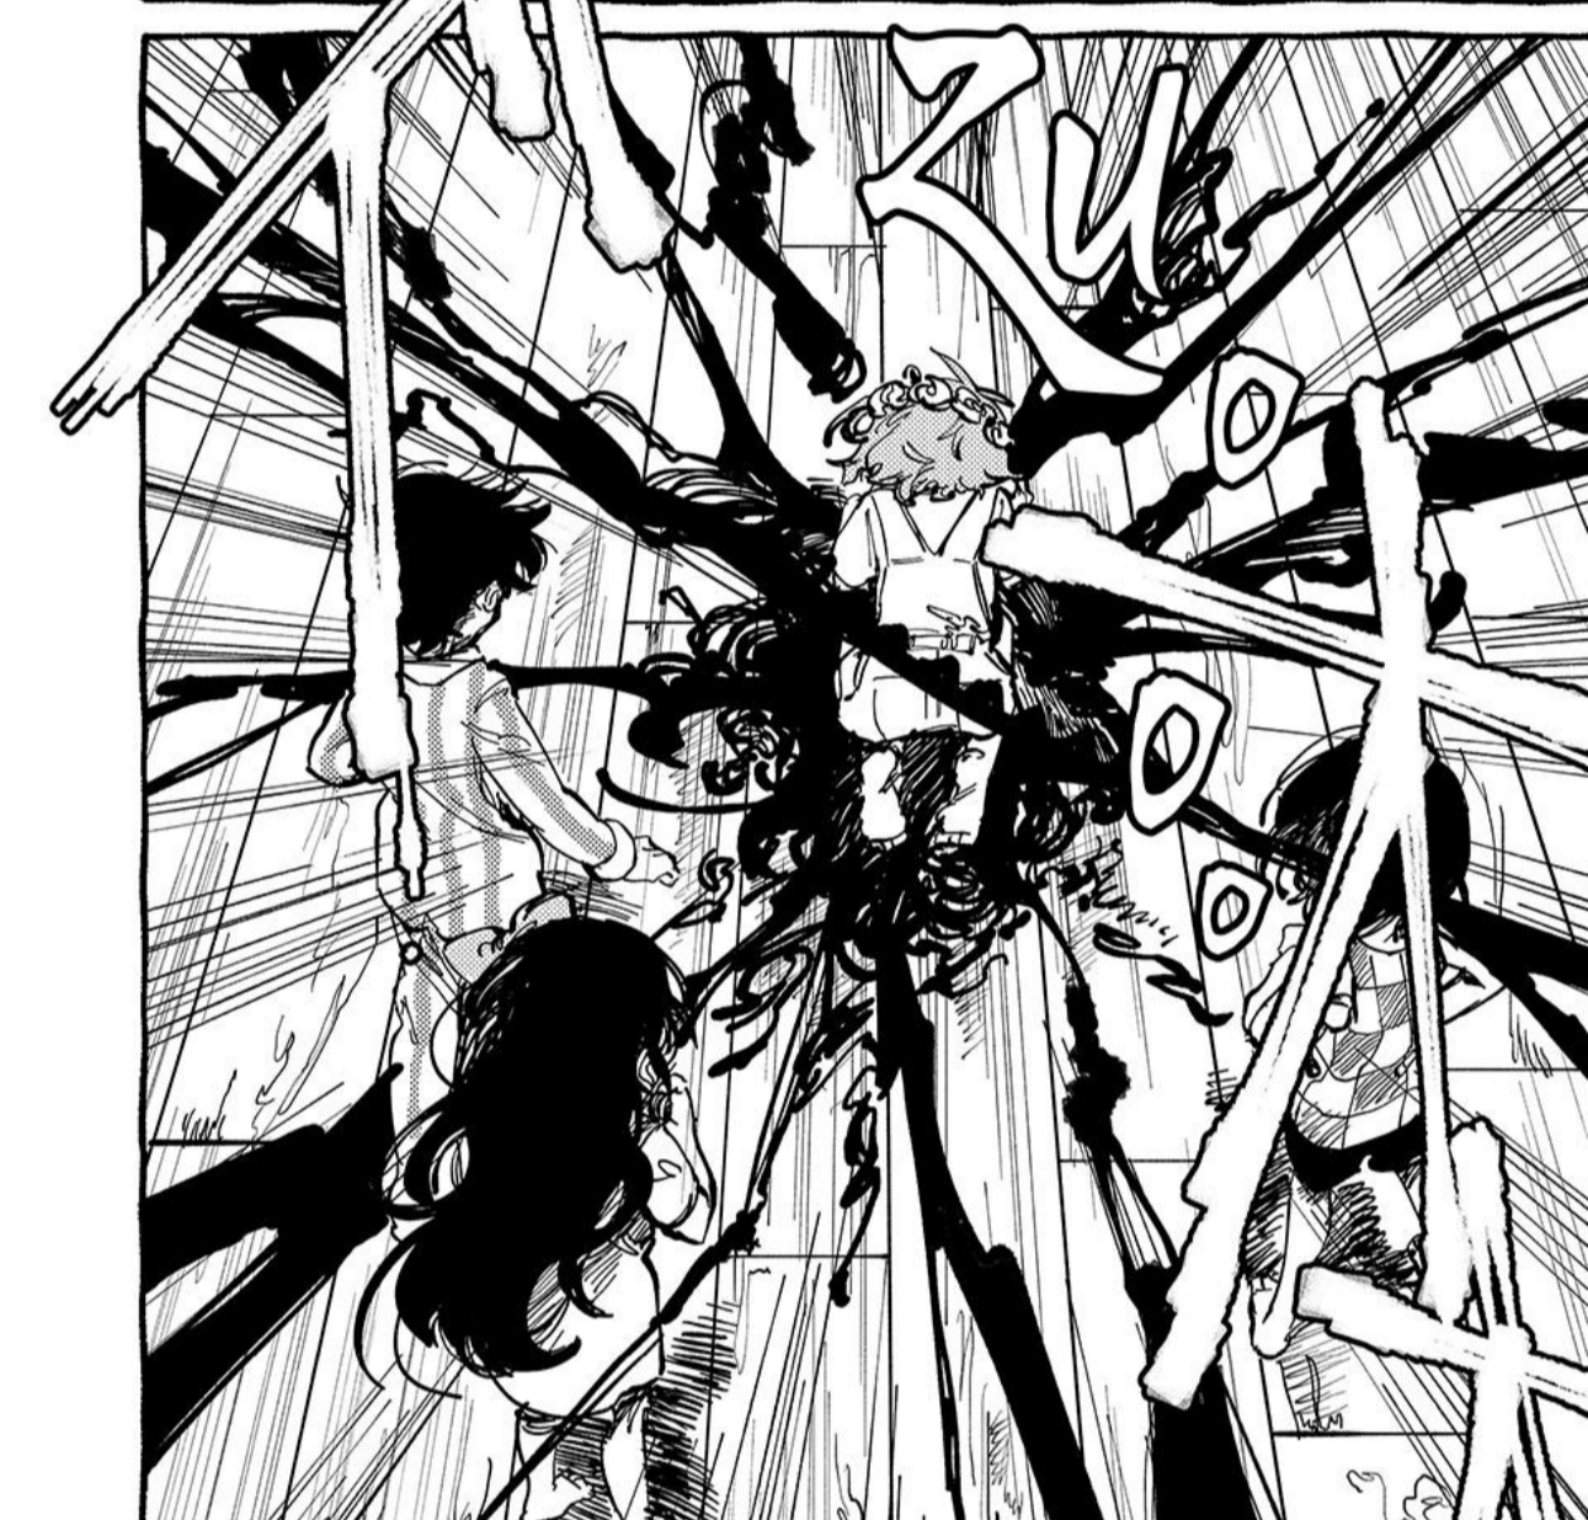

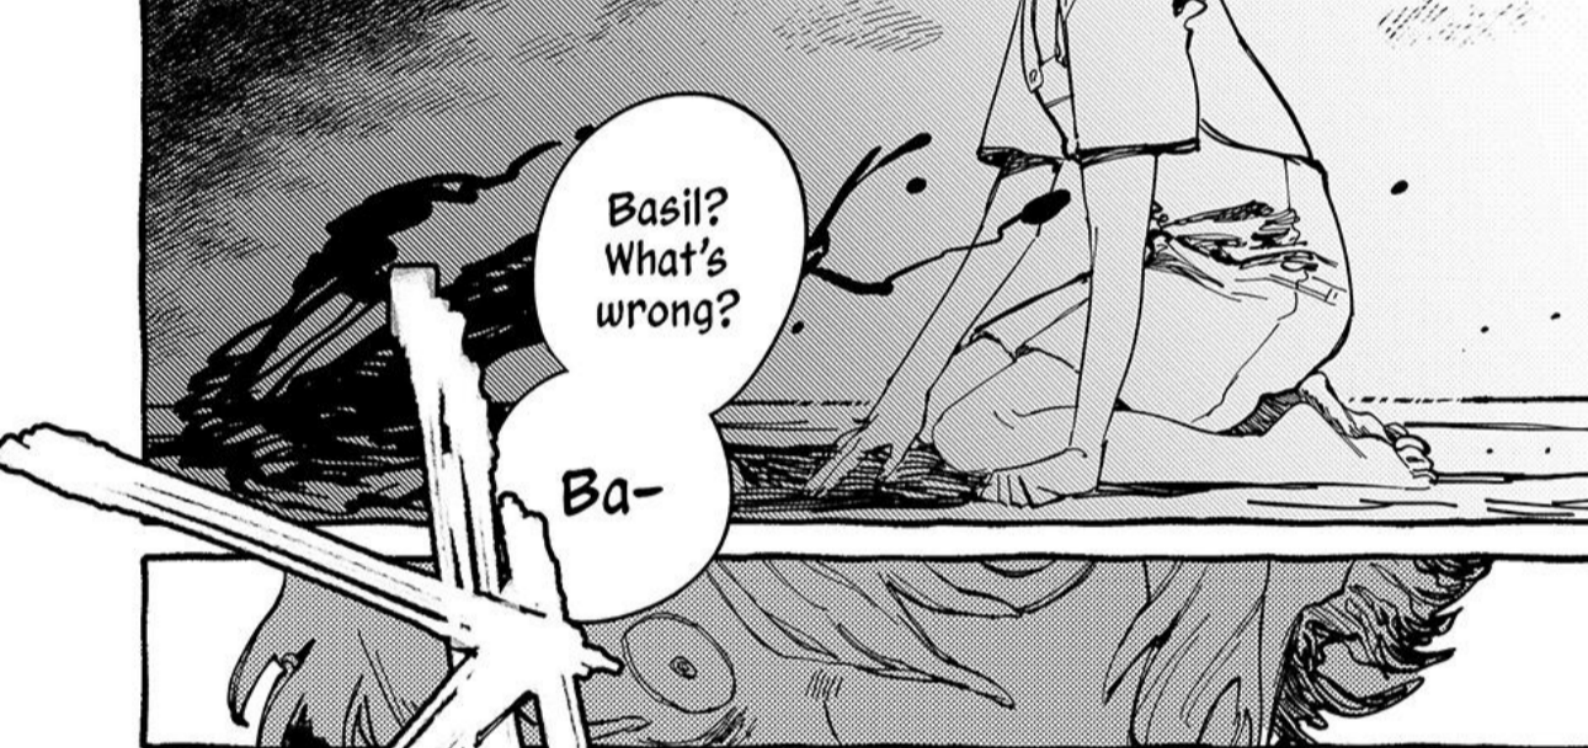

Now the
album is just
the way it
was befor-

Wait...
There's
one more
photo-
graph...?

...Huh?

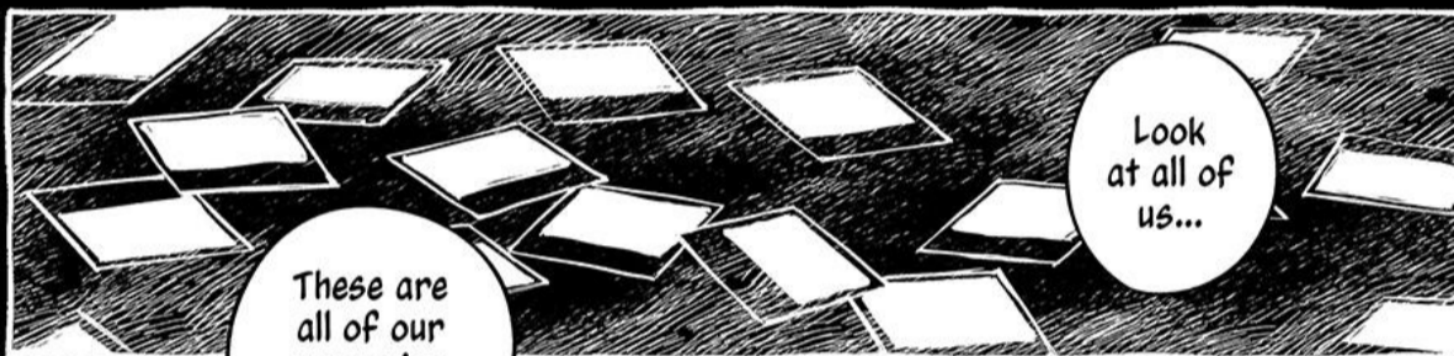

OMORI!!!!

These are
all of our
memories
together...

Look
at all of
us...

They're a
little sad
now...

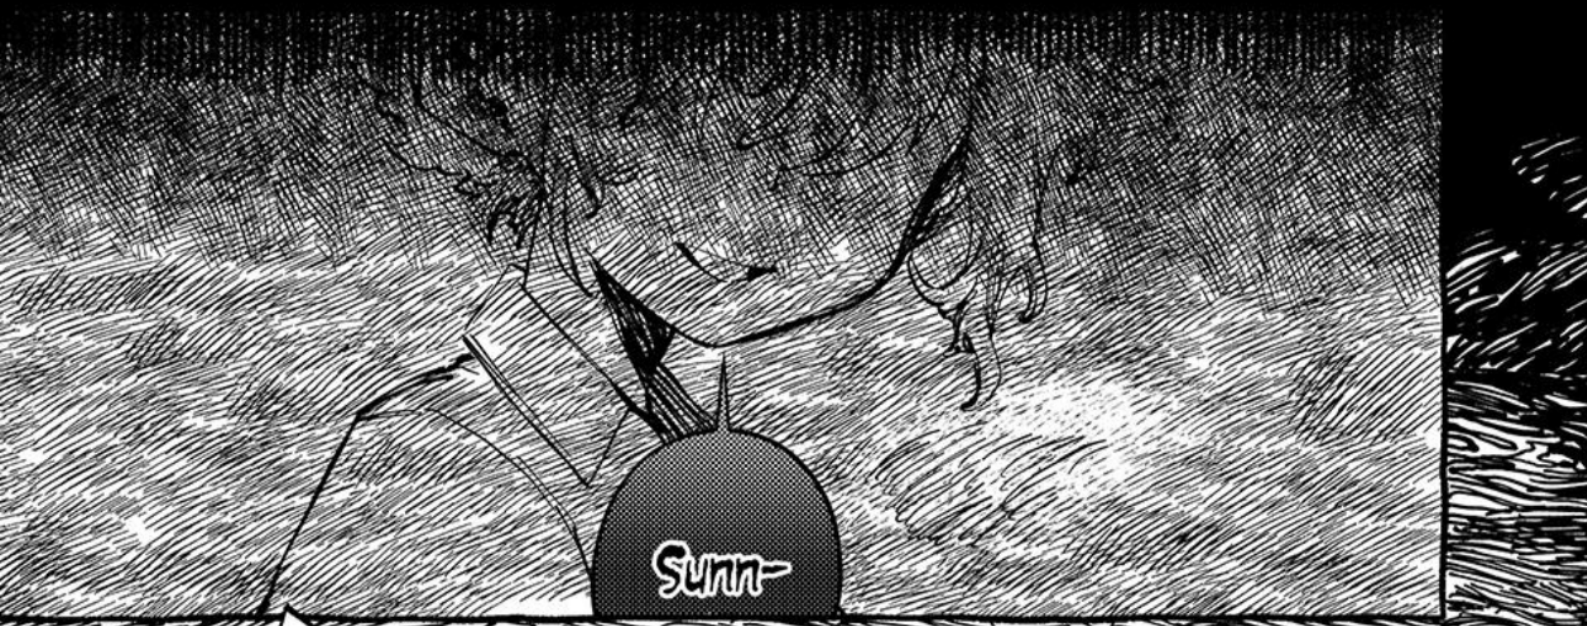

But we should
be happy that
they happened
at all.

...
together.

Okay?

Let's
make new
memories
again...

SUNNY!

...ny!

THANK,
GOD!
YOU'RE
AWAKE!!!

**SIT
UP**

But...
At least
you seem
okay now.

Scared the
crap out of
me, to be
honest.

You blacked
out for a
while there...

I guess
we should
be thankful
that things
didn't get any
worse...

Aubrey
ran off
with her
new friends
before I
could stop
her...

W-Wait
a sec!
Give me
that!

I'M
CONFIS-
CATING
THIS!!!!

I'm gonna
hold onto it
for safe-
keeping...

You
shouldn't be
carrying things
around like this,
Sunny!
Knives are
dangerous!

It's me,
Basil...

S-
Sunny...

Oh, right!
It's been a
while since you
saw Sunny too,
huh, Basil?

Do you...
remem-
ber?

It's
been a
while,
hasn't
it?

By the way...

Don't sweat it!

Okay... Thank you...

About what you said before...

We're still friends.

I want you to know that, okay?

Okay.

Should we
ask one of her
new friends?
What do they
call themselves
again? The
"hooligans"?

Although...
Actually,
I have no
idea where
Aubrey
might be.

See ya
later,
Basil!

There's no
time to lose!
We got a
photo album
to find.

C'mon,
Sunny!

S-See...
you...

Sigh...
Where
are you...

Aubrey?
